Aqua Stainless Steel Washdown Scales

For ultimate dependability, the Aqua ABW-S boasts IP68 washdown protection, meaning it's suitable for weighing messy or dusty materials in demanding environments. In addition to the easy-to-clean grade 304 stainless steel housing and platform, the pan is removable for hygienic maintenance. Overload protection helps safeguard the scale against accidental overloads for a reliable, long-lasting weighing solution. Well-suited for food processing, batching and packaging, the Aqua offers features designed to improve productivity. The bright LED displays clearly shows results in the front and rear of the scale, allowing multiple users to use the same scale, while hidden color-changing indicators light up during checkweighing to show if results are over, under or within preset limits. Percentage weighing makes baking and recipe batching effortless, while parts counting speeds up packaging tasks. Take advantage of the internal rechargeable battery for operation anywhere, including areas where access to power is limited. The Aqua's quick stabilization time means weighing tasks are faster and more efficient.

Complete protection whatever the application. With grade 304 stainless steel, this IP68 bench scale looks the part.

Features

- IP68-rated for protection against water and dust
- Grade 304 stainless steel casing for a premium, professional look, easy cleaning and ultimate durability
- Sealed keypad protects against dirt and spills
- Clear, hidden-until-needed function indicators keep focus where it's needed
- Heavy-duty rubber feet ensure stability of unit
- Bright LED display for easy viewing in most environments
- External calibration allows for verification and adjustment with weights
- Overload protection helps prevent damage to internal components
- The auto power-off feature conserves battery life
- Rechargeable battery included for operation almost anywhere
- AC adapter included
- Stabilization time of within 1 second
- Front LED display 20mm, rear LED display 15mm for dual use
- 1:600,000 internal counting resolution
- A 3-year warranty means quality assured for years of use.

Applications

- Weighing
- Checkweighing
- Percentage weighing
- Parts counting

Adam is the answer.

For more than half a century, Adam has been the answer when accuracy is the priority. Adam scales and balances provide precision solutions for professionals in every industry.

Product details

Model	ABW 4S	ABW 8S	ABW 16S	ABW 32S
Capacity	9lb / 4kg	18lb / 8kg	35lb / 16kg	70lb / 32kg
Readability	0.0002lb / 0.1g	0.001lb / 0.5g	0.002lb / 1g	0.005lb / 2g
Pan Size	9.6" x 7.1" / 245 x 180mm			11.8" x 8.3" / 300 x 210mm
Weighing Units	g,kg,oz,lb,lb:oz			
Stabilization Time (sec)	1			
Calibration	External calibration			
Display	LED with 0.8" / 20mm high digits			
Power Supply	12VDC 800mA adapter / Internal rechargeable battery Input Voltage: 100-240V 50-60Hz 0.4A			
Housing	Stainless steel			
Overall Dimensions	9.8"x11.5"x3.9" / 250x292x100mm			11.6"x11.5"x3.9" / 295x292x100mm
Net Weight	6.6lb / 3kg			

Accessories

Item Number	Description
303149759	Large Scoop (complete with fitting to scales)
303149760	Small Scoop (complete with fitting to scales)
700660290	Calibration certificate

Key accessories

Large Scoop (complete with fitting to scales)

This large stainless steel scoop is removable and easily washable. This durable item is ideal for food production.

Small Scoop (complete with fitting to scales)

This small stainless steel scoop is removable and easily washable. This durable item is ideal for food production.
