BTT Touch-Screen Label Printing Scales

Sturdy and durable, BTT touch-screen label printing scales are ideal for manufacturing, shipping and receiving, packing and distribution warehouses. The BTT has a built-in printer that can print weight, QR codes, bar codes and labels in numerous languages. Software is included for personalised label design and formatting on computers. BTT scales consist of a sturdy ABS plastic indicator, mild steel base, and easy-to-clean stainless steel platform. The indicator can be placed on a bench or attached to the included pillar. The BTT offer two platform sizes to accommodate large or small objects. RS-232, USB and optional Wi-Fi, RJ45 and wireless interfaces provide speedy connection to computers and printers.

Quickly produce custom labels and bar codes with the built-in printer

Features

- Checkweighing with audible alarm
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
- Level indicator and adjustable feet ensure proper balance setup for optimum weighing results
- Large, grade 304 stainless steel pan allows easy cleaning
- Rugged construction stands up to industrial use
- Sealed keypad protects against dirt and spills
- Overload protection helps prevent damage to internal components
- Built-in printer can print weight, QR codes, bar codes and customized labels in numerous languages
- Rechargeable battery included for operation almost anywhere
- Programmable auto power-off to save energy
- Memory accumulation totals results
- Parts counting optimisation automatically refines piece weight as parts are added
- Selectable digital filtering helps minimise effects of vibration and disturbances
- Zero-tracking feature ensures display returns to zero reading
- 1:600,000 internal counting resolution
- USB and RS-232 interfaces provide speedy communication with computers and printers
- Product look up (PLU) memory locations store a range of items for recall
- Selectable language for printing
- Parts counting with freely selectable sample sizes
- Wall-mount bracket for placing indicator on vertical surface
- Adam Connect compatible for Bluetooth® data transfer to printers and PCs

Applications

- Weighing
- Percentage weighing
- Checkweighing
- Accumulation
- Barcode / label printing
- Parts counting
- Averaging
- Net total weighing

Adam is the answer.

For more than half a century, Adam has been the answer when accuracy is the priority. Adam scales and balances provide precision solutions for professionals in every industry.

Product details

Model	BTT 8	BTT 16	BTT 32	BTT 60	BTT 75	BTT 150	BTT 300
Capacity	8kg	16kg	32kg	60kg	75kg	150kg	300kg
Readability	0.1g	0.5g	1g	2g	5g	0.01kg	0.02kg
Pan Size	400x300mm				500x400mm		
Weighing Units	g,kg,lb,lb:oz,oz,ct,dr,mm,tl.T,T						
Stabilisation Time (sec)	2						
Interface	RS-232/USB/Optional Ethernet RJ45/Optional Wi-Fi/Optional Bluetooth						
Calibration	External calibration						
Display	8" Touchscreen						
Power Supply	12VDC 3A adapter / Internal rechargeable battery Input Voltage: 100-240V 50/60Hz						
Housing	ABS plastic indicator with die-cast aluminum base						
Overall Dimensions	300x510x680mm				400x620x860mm		
Net Weight	8.5kg				13.5kg		

Accessories

Item Number	Description
700660290	Standard Calibration Certificate
700660288	Calibration Certificate (600kg+ Capacity)
700200107	Casters + wheels (set of 4)
1140013826	Roller deck (15.7" x 11.8")
1140013827	Roller deck (19.7" x 15.7")
1140013828	Roller deck (31.5" x 23.6")
400005615	Labels - 800 per roll, 50x30mm
3014011014	RS-232 cable 9M-9F
600002028	AdamDU Data Collection Program
3074010507	RS-232 to USB adapter
4000015670	Labels - 800 per roll (Pack of 10)
BTM	Adam Connect

Key accessories

Labels - 800 per roll, 50x30mm

A roll of 800 sticky labels intended for use with our BCT and BKT Label Printing Bench and Floor Scales. Each label is 50x30mm.

Roller deck (15.7" x 11.8")

Roller decks fit directly atop bench and floor weighing platforms for easy installation. Galvanized steel rollers rotate in two different orientations for convenient loading and offloading.
