BTT Touch-Screen Label Printing Scales

Sturdy construction, a smart, intuitive interface and easy connectivity make the BTT Touch-Screen Label Printing Scales the ideal choice for manufacturing facilities, shipping and receiving areas, packing locations, and distribution warehouses. BTT's built-in printer allows users to fully customize and print labels that feature weight, logos, QR codes and bar codes in a variety of lengths, as well as store up to 10 designs in internal memory for frequent use. Connectivity choices include RS-232, USB and optional ethernet, Wi-Fi and wireless. Built to last, the robust BTT features a sturdy ABS plastic indicator and an easy-to-clean stainless steel pan.

The smart choice with touchscreen operation, connectivity and built-in label printing
